OPENLAND TACTICAL HELMET COVER

OPT-12018

The **OPT-12018 tactical helmet cover** is made from a durable tear-resistant fabric composed of 65% cotton and 35% polyester ripstop, providing strength and long-lasting use. It features 4 lateral MOLLE loops for attaching additional accessories. The front panel includes a cover flap for the NVG (night vision goggle) mount, secured with Velcro for easy adjustment. The rear pocket is designed to hold a counterweight, with a Velcro closure and Velcro panels for ID and IR markers on the outer surface. The cover also has 2 upper loops and 2 rear loops with button closures for passing an elastic band for goggles. Several Velcro panels are available for attaching ID or IR markers. The cover is one-size-fits-all, adjustable with Velcro straps to ensure a custom fit. It weighs 160 grams, offering a good balance between lightweight design and functionality.
