

## SAR COMFORT PAD REPLACEMENT KIT

### 80-CFP-BK

The **Team Wendy® SAR Helmet Padding Replacement Kit** is designed to provide optimal comfort during rescue operations and in extreme work environments. The kit includes high-quality comfort pads, offering the choice between thin and thick pads to better suit individual needs. Made with patented Zorbium® foam, these pads ensure excellent impact absorption and long-lasting comfort.

#### Key Features:

- **Complete Set of Pads:** Includes 3 thin pads and 3 thick pads, offering the flexibility to customize comfort inside the helmet.
- **Zorbium® Foam:** The pads are made with patented Zorbium® foam, a material that provides exceptional impact protection, enhancing safety without sacrificing comfort.
- **Breathable and Antimicrobial Fabric:** The pads are sealed with a breathable and antimicrobial fabric, ensuring better ventilation and preventing bacteria growth, keeping the helmet fresher and more hygienic.
- **Easy Replacement:** The padding is designed for easy replacement, allowing you to maintain the helmet in excellent condition even after intense use.

The **SAR Helmet Padding Replacement Kit** is essential to keep your SAR helmet in top condition, improving comfort and performance during rescue operations or other high-intensity activities.
