## MAGNUM ZEKROM LIGHT COMBAT BOOT

### M810073/041

The Magnum Zekrom Summer Boot, developed in exclusive collaboration with Magnum Boots, is a waterproof, breathable, and lightweight boot designed to offer comfort and protection in the toughest conditions. The Michelin sole features an anti-slip tread and lamellar sculpture to improve grip on slippery surfaces, with wide grooves for quick water evacuation and greater flexibility. The heel brake allows for optimal braking, while the arch design promotes better grip and provides maximum lateral support.

The upper is made of water-resistant leather and Cordura, ensuring durability and water resistance, while the removable antibacterial footbed offers extra comfort and support, absorbing shocks during prolonged use. The composite reinforced toe and heel enhance protection against impacts. The boot features a lace-up closure, ensuring a secure and customizable fit.

#### Key Features:

- **Water-resistant leather and Cordura upper (2.2-2.4 mm):** A durable and protective combination, ideal for humid and dusty environments.
- **Non-metallic lower plate:** With a test force of 1100N for added protection.
- **Removable footbed:** Antibacterial, shock-absorbing, for extra comfort throughout the day.
- **Michelin cushioning sole:** Equipped with self-cleaning channels that remove debris to ensure optimal traction on any surface.
- **Ankle protection:** Semi-rigid plastic insert, paired with high-density sponge material for added safety.
- **Lace-up closure:** Provides precise adjustment for a perfect fit.
- **Reinforced toe and heel:** For additional protection.
- **Bicolored (dark brown/black):** A versatile and durable design.
- **Produced on the S.T. 1445 pattern of the Army specification:** Compliant with the standards required by the Italian Army.

#### Certifications:

- **Puncture resistance certification:** GZHT91145672, compliant with EN ISO 22568-4:2021.

**Weight:** 1820 gr

**Foot size:** 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48
