MECHANIX COLDWORK M-PACT® GLOVE GREY/BLACK

MX-KMP-58

Take on freezing temperatures without sacrificing protection. The **Mechanix ColdWork™ M-Pact® gloves** are engineered to deliver **maximum comfort, thermal insulation, and impact protection** in extreme work environments. The **3M™ Thinsulate™ C40 insulation** combined with a **water-resistant SoftShell back** creates a reliable barrier against cold and wind, keeping your hands warm and dry.

For impact resistance, an **anatomical TPR (Thermoplastic Rubber) exoskeleton** meets the **ANSI 138 Level 2 impact standard**, while the **touchscreen-compatible synthetic leather palm** allows seamless use of electronic devices without removing your gloves. The **D3O® padded palm** absorbs impact energy and vibrations, enhancing comfort and durability during extended use.

Key Features:

- **TPR impact protection** meets **ANSI 138 Level 2** standard
- **Water-resistant SoftShell back** with laminated wind barrier
- **3M™ Thinsulate™ C40 insulation** retains body heat for warmth
- **Armortex® thumb saddle reinforcement** for abrasion resistance
- **Touchscreen-compatible synthetic leather palm** for agility and function
- **Double-layer internal reinforcement** on index finger and thumb
- **D3O® palm padding** absorbs and disperses high-impact energy
- **Reinforced palm with Armortex®** for increased durability
- **Adjustable TPR closure** ensures a secure fit around the wrist
- **Removable spring clip** keeps gloves organized and easy to store
