GLOVE POUCH FOR SEARCH OPERATIONS WITH MOLLE SYSTEM

OPT-25222

Search gloves pouch with MOLLE system, designed to provide practicality, organization, and quick access to essential equipment during operational activities.

Made from durable 100% polyester, it ensures excellent resistance and long-lasting performance even under intensive use.

The interior features a mesh divider, ideal for keeping disposable gloves and disinfectant products neatly separated and easily accessible during service.

The rear MOLLE attachment system allows secure and versatile mounting on tactical belts, plate carriers, vests, or compatible backpacks.

Key features:

- Durable 100% polyester construction
- Interior mesh divider for better organization
- Ideal for disposable gloves and disinfectant products
- Rear MOLLE attachment system
- Compact, practical, and suitable for operational use
